ORDER

GREGORY H. WOODS, United States District Judge:

In Appellant's briefing, Appellant notes that it has a pending appeal before the Second Circuit regarding what it describes as the "Ground Lease Issues" and that briefing at the Second Circuit was scheduled to begin in December of 2021. Appellant states that the outcome of that appeal is potentially determinative of the issues in this case. The Court also observes that on June 27, 2022, the Supreme Court granted a petition for certiorari in the case *MOAC Mall Holdings LLC v. Transform Holdco LLC*, which Appellee relies on in its briefing. In light of these developments, the parties are directed to submit a joint letter no later than July 11, 2022, to update the Court on the following: (1) the status of Appellant's Second Circuit appeal; (2) the parties' positions on whether this case should be stayed pending resolution of Appellant's Second Circuit appeal; and (3) the parties' positions on the impact of the Supreme Court granting the petition of certiorari in *MOAC*

Mall Holdings LLC v. Transform Holdco LLC on this case.

SO ORDERED.
